26TH ANNUAL CONFERENCE AND BUSINESS MEETING

WELCOME MESSAGE

MESSAGE FROM THE PRESIDENT

Dear Colleague,

I am writing to extend an invitation to attend the 26th Annual Conference and Business Meeting of the Ontario Association of Gastroenterology (OAG). Your organizing committee has, as always, put together an excellent educational program and fun social events. How great will it be to meet in person again at a fantastic venue? Finally!

We will enjoy two days of interactive learning, discuss the organization and running of the OAG, consider how we, as Ontario gastroenterologists, would like to see the Ontario Medical Association (OMA) represent us, and have several opportunities to interact with each other and our families.

The OAG wants to continue to encourage participation by all our members at this event and, towards that goal, we encourage family participation in activities such as childcare during our Gala and Awards Presentation.

We know the COVID-19 pandemic is unfortunately not yet over, and we have planned for employing preventative measures to keep all participants healthy throughout the venue and meeting.

I look forward to seeing you all in Toronto at our annual Conference.

Best regards,

ONTARIO ASSOCIATION OF GASTROENTEROLOGY

WELCOME MESSAGE

MESSAGE FROM THE CONFERENCE CHAIR

Dear Member,

The Annual Conference and Business Meeting of the Ontario Association of Gastroenterology (OAG) will be held at the Ritz-Carlton Toronto on November 18 – 20, 2022. After over two years of pandemic preoccupation and virtual meetings, we are thrilled to be able to meet in-person and interact with colleagues once again. The theme of this year's Conference is **"OAG Back to the Future"**. The scientific program will focus on topics essential to our practice with a look to the future including new technologies and therapeutics.

A social program will include a unique and immersive experience at the Hockey Hall of Fame that all who attend will most definitely enjoy.

This will be the culmination of our observance of the OAG 25th anniversary celebrations and acknowledge those who have helped to make the organization what it is today. You don't want to miss both Friday and Saturday evenings.

We look forward to seeing you all in November!

With warm regards,

ONTARIO ASSOCIATION OF GASTROENTEROLOGY

Daniel Green

GENERAL INFORMATION

GET READY TO SOCIALIZE AND LEARN!

The COVID-19 pandemic forced us to look at alternative ways to educate our members and create that vital touch point with our industry sponsors, while still finding time to exercise and squeeze in a little fun. Yes, we made good use of the virtual world, and appreciate it for what it brought to us during these difficult times, but enough is enough! We are so excited and waiting with anticipation to see each other for some well-deserved in-person interaction. The weekend of November 18 - 20, 2022, can't come soon enough as it is our opportunity to gather at the Ritz-Carlton Toronto to learn, contribute and share with our friends and colleagues! Register today and get ready to socialize and learn while still being mindful of our current environment. We can't wait to welcome you and your family back, in-person!

WELCOME TO TORONTO

Immerse yourself in one of the world's most multicultural cities! Situated 566 feet above sea level on the northern shore of Lake Ontario, Toronto is one of the southern most cities in Canada. In fact, it has nearly the same latitude as northern California.

Home to more than 100 cultures, Toronto truly is the world within a city. With a population of 4.2 million, Toronto is Canada's largest city and is the fifth largest city in North America. It possesses the best features of the world in one clean, safe and friendly place.

Consider this: Toronto is rivaled only by London and New York in the theatre scene. It boasts attractions from high art to lively family fun. It offers polished service for the business traveler and a shopping mecca with international flair. It offers some of the best dining in the world and features year-round festivals of film, music and culture with miles of waterfront, beaches, boardwalks and trails.

Visit [Toronto.com](https://toronto.com) for more information on events, attractions, shopping and restaurants!

OAG HONOURS

MICHAEL I. GOULD
MD, FRCPC

The OAG Distinguished Service Award

**Join us as we honour Dr. Michael Gould
with the OAG Distinguished Service Award.**

The Distinguished Service Award is given in recognition of a fellow gastroenterologist who has made an outstanding contribution in Gastroenterology.

Dr. Michael Gould's career began as a clinician teacher at Women's College Hospital (WCH) where he worked for seven years and was involved in all aspects of the Internal Medicine Program including an ICU attending four months a year as well as a full member of the GI Division. He was part of the GI Education Program including the Resident Selection Committee. He was enrolled in the Master of Education program at OISE. Since leaving WCH, he has lectured extensively and for the last number of years, has been faculty in the OAG's SEE Program.

Dr. Gould is one of the founding members of the OAG and during its infancy, the OAG was run out of his office. He is also the founder of the OAG Post DDW Course (now in its 21st year) and remains one of its Co-Chairs. He was the OAG's representative to the Specialist Coalition of Ontario (SCO) and served on its Board of Directors through its entire existence and ended as one of the co-chairs of the organization. He is a Past President of the OAG where he served for four years in that capacity and played an integral role in the primary building of the organization. He also served as an OMA GI Section Chair where he was involved in numerous OMA and government committees, including the committee that developed the Limited Use Drug Program, and the CCO's initial FOBT screening program. He currently sits on the OAG Board of Directors and is a member of its Past Presidents' Council. Dr. Gould also serves as a Board member of Beit Halochem Canada.

He is a past Chief of Medicine at the William Osler Health System, where he served for 11 years. Dr. Gould was clinical lead for the building of the Brampton campus of the William Osler Health Centre and was responsible for the development of both the Hospitalist and General Internal Medicine program. He was the initial Endoscopy Lead at Cancer Care Ontario (CCO) from 2011-2014 where he helped design the Endoscopy QBP. Dr. Gould has been a member of numerous Colon Screening Guidelines and Quality committees at both the provincial and national levels.

He is currently the President and Medical Director of the Vaughan Endoscopy Clinic. He is also a partner and the current President of Toronto Digestive Disease Associates (TDDA), a specialty research company, that participates in many GI clinical research trials and is a principal investigator on many trials. Dr. Gould is currently the Endoscopy Director at William Osler Health System.

Dr. Gould is actively engaged in all aspects of gastroenterology and is always a resource to our profession and specialty. He is the proud father of Ashley and Jonah and has been married to Dianne for 33 great years. Dianne has supported Michael through all the activities and has helped the OAG in many capacities through the years. Dr. Gould is an avid golfer, skier, and a cycling enthusiast.

Honouring Our Founding Fathers

DR. RICHARD ROSSMAN | DR. MICHAEL GOULD | DR. BRUNO SALENA

What more can we say? This is the solid rock on which the OAG was built! As we celebrate our 25th anniversary, we can't help but think about the Founding Fathers of our association. Have you ever wondered why did they go to such great lengths to establish the OAG? Did they know it would take so much work, not only to start the association, but to fight for the rights of gastroenterology and gastroenterologists in our province? It's quite remarkable that the tireless work and efforts of Drs. Richard Rossman, Michael Gould, and Bruno Salena have stood the test of time. They called and you followed, in droves. They kickstarted this great organization and today, the OAG is a testament to collegiality, camaraderie, and progressive thinking. Because of them, we can safely say that clinically, we advocate for best practices and academically, we are cutting edge, and have the best combination of academic and community physicians in gastroenterology. We are grateful for their insights and fortitude and are proud of our ever-evolving organization. Here's to our founding fathers!

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the ANNUAL GENERAL MEETING (AGM) of the Ontario Association of Gastroenterology (OAG) will be held at the Ritz-Carlton Toronto Hotel, 181 Wellington Street West, Toronto, Ontario on Sunday, November 19, 2022 at 11:45 a.m. ET

The following matters will come before the membership:

- 1.0 Call to Order
- 2.0 Approval of Minutes of Last Annual General Meeting - November 21, 2021
- 3.0 Reports of Officers and Directors
- 4.0 Approval of Action Items of the Board of Directors
- 5.0 Election of Directors

- 7.0 Adjournment

The meeting is open to ALL member gastroenterologists and gastroenterology residents/fellows.

NON-ATTENDANCE WILL COST YOU...

Did you know that as an OAG member, if you register for the Conference, and do not attend, your non-attendance costs the OAG approximately \$1,000 (hotel accommodation, breakfasts, lunches, dinners, nutrition breaks and administration.)? The OAG office is required to give guarantees to the venue at least four (4) business days prior to the start of any Conference. Therefore, if you do not cancel by the deadline, you are included in the hotel room count and meal numbers for the entire Conference. It is the fiduciary responsibility of the Board of Directors to ensure that the OAG's monies are spent wisely.

The OAG has implemented a policy for Conference delegates – it is mandatory that you provide a valid credit card number to register for the Conference and specific events. Your credit card will not be charged unless you do not attend and neglect to notify the OAG office by the cancellation deadline (as indicated on the registration form.) The amount that will be charged to your credit card is the fee for one night's hotel accommodation, administration and your meals – approximately \$1,000.

If you need to cancel your hotel reservation, Conference or event registration, please refer to the registration form and contact the OAG office - you will receive a cancellation number as your validation.

**Please help us help the OAG – we are a
not-for-profit organization.**
